

Slinger Utilities and WPPI Energy

2022-2023 Public Power High School Scholarship

Slinger Utilities and WPPI Energy have a strong commitment to the community and the people and businesses we serve. As a publicly owned electric and water utility, the high school scholarship program is yet another way that we are able to support our community. Therefore, we are pleased to offer two scholarships to two worthy high school graduates to help them pursue post-secondary education at an accredited two or four year college of their choice.

Scholarship Program Purpose

- To support the continuing education of Village of Slinger youth.
- To increase community awareness of public power. (publicpower.org)

Award

- One of two \$500 educational scholarships available to students meeting the criteria below, and selected by an independent review of the completed applications received.
